

Fuel & Oil Additives

G00420 X-10 Fuel Conditioner

- Cleans Injectors & Carburetors
- Acts As Upper Cylinder Lube
- Removes Carbon & Gum
- Efficient Cleaner Combustion
- Increases Mileage

G00421 CF5D+ Diesel Fuel Stabilizer

- Improves Ignition
- Increases Combustion Efficiency
- Restores Lost Lubricity to Fuel
- Has Flow Improver
- Improves Ignition & Low Temp Flow

Specialty Oils

G00352 Silver Spur Chain & Cable Lubricant

- Lubricates & Reduces Friction
- Penetrates Well Into Chain Links

G00353 Special Wire Rope Lubricant

- Penetrates Then Dries to Lubricating Film
- Contains EP Agents
- Reduces Interstrand Wear & Corrosion

G00379 High Load (SAE140)

- Clinging & Climbing to Reduce Dry Starts
- Will Not Emulsify with Water
- Meets Current Vehicular Standards
- Can Also Be Industrial

G00380 High Load (SAE85W-140)

- Non-Foaming; Non-Corrosive
- Prevents Rusting
- Green Color
- Can Also Be Industrial
- Low Pour Point

G00388 Superfilm® Hydraulic Oil 5000

- Premium Hydraulic Oil
- R&O & AW Additive Package
- Multi-Viscosity to Replace Multiple Products
- 5000 Hour Life
- Contains Demulsifier, Anti-Leak Additives

G00399 High Load (SAE90)

- Clinging & Climbing to Reduce Dry Starts
- Will Not Emulsify with Water
- Meets Current Vehicular Standards
- Can Also Be Industrial
- Prevents Rusting
